THE IMPACT OF JUDAISM ON MODERN POLITICAL
THOUGHT & JEWISH POLITICAL AFFILIATION

What role has Judaism played in the political evolution of the modern world?

If God could vote – would He be a Republican or Democrat; a conservative or liberal?

Historically, why have the majority of Jews so consistently voted for the Democratic Party and supported a liberal political agenda? This presentation delves in exciting new discoveries about the profound impact of Jewish thought and law on modern democracy and why Jews vote the way they do.
